

2020 Top Lop Youth Winners

1 - T SHA's TC28 Alex

Bred and owned by Drayden & Garrett Jagneau

I am so proud of the rabbit T SHA's TC28 Alex has become. Watching him grow in our barn has been an exciting privilege. While this rabbit was bred and born in our barn, I have to thank two very important breeders that have worked with us to make our 2nd Top Lop recognition possible. Alex is the product of Stephanie Valentine's LL Raptor and Sue Eyler's Dream Bunnies Wonder Woman. These two ladies have been an instrumental part in the direction of our line. I look forward to see what the future holds.

The best thing about raising Holland's is the people you meet and the friends you make along the way. Other than my parents, I have a list of people to thank. Linda Suggs was the first breeder to sale me a competitive rabbit. PWF Comanche was my first rabbit to compete for best in show and after 9 years he is still a favorite rabbit. I have her to thank for always answering calls, giving advice and pep talks. Our first top lop was from her PWF S442 Makko. Chase Austin for listening to what I wanted to change about my rabbits and getting me in contact with the people to help make those changes. Stephanie Valentine and Sue Eyler, thank you both for all the texts, calls, and pictures in finding just what we needed in our barn to make our line progress. Thank for holding on to Raptor and Wonder Woman until we could make the 17 hour drive during spring break vacation to pick them up. They are well worth the trip!

2 - Pastor Play 8M Molly

Bred by Pastors Play Farm

Owned by Kallie & Courtney Larson

We acquired Molly from Breeder Ross Reinhillier owner of Pastors Play Farm in October of 2018 when she was 3 months old. Molly Started winning on the tables after she turned Sr. in 2019 winning 29 show legs over her 3 year career. We are so blessed to have added Molly to our herd as she has produced several BOB/BOS offspring, 6 of them becoming Grand Champions. We are grateful to all the judges that recognized Molly as she has not won 2 legs under the same judge. We are proud to have Molly win 2nd place Youth Top Lop for 2020 and want to Congratulate all the other Top Lop Open and Youth winners.

3 - Seth - DBC2

Owned by Sydney McGuire

I'm so excited to have gotten 3rd place Youth TopLop with Seth! We got Seth originally just as a herd buck but I wanted to take him to a show just to see how he would do. He really surprised us on the table, and I'm so happy we continued to bring him to shows with us. He really is just the sweetest and I'm so grateful Sue gave us the opportunity to own such a great rabbit, I can't wait to see what the future holds for him and his offspring!

4 - Pebbles - CS183

Bred and owned by Grace Dull

Pebble was one of my first home grown best in shows. Her sire and dam are also homegrown and are out of some of my favorite herd bucks, including GC Dombrowskes Redwood(A personal favorite of mine due to his sweet nature). The Rabbit Renegades best in show win was completely unexpected. It's certainly been a super weird year for showing and i'm extremely thankful to the clubs who've made it possible for us to show.

5 - BI

Owned by Amura Secord

6 - Shooting Star's Sugar - SS51

Bred & owned by Julia, McKenna & Kyla
Tonkinson

Sugar was a little doe I had my eye on since she was a little junior. I always kept on thinking she was a buck because of her head. My mom kept on trying to convince me to sell her when she was young because she hated her ear control, but there was something about her I adored. In her short show career due to covid she gotten 9 BOB/BOSB, two of them at PaSRBA. She also got 3rd Place at the 2019 Nationals and 6th Place at the 2019 Convention. But other than that, she is my favorite Holland. She is the rabbit that willingly hops into your arms while you are trying to pose her. But she is also the rabbit that all the judges calls "feisty" as she has a attitude as soon as you put her on the table. She is such a favorite of mine, she was used in my senior pictures. I hope her personality and her type will carry onto her future kits.
