

2021 TOP LOP - Open

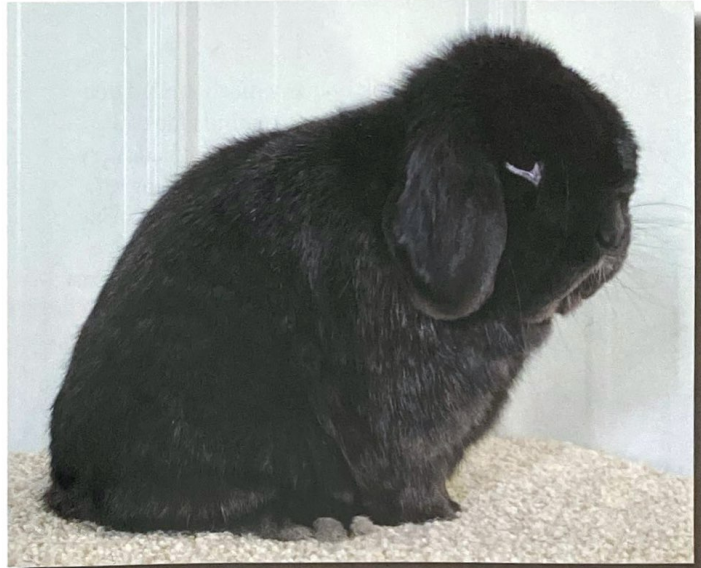

1 - Breezy Pine's Night Sky - B231 1187 points

Bred & owned by Tracie & Taylor Deling and Sherry LaGessee

We are thankful beyond words that this boy made it to the #1 Top Lop spot. Last year he ended up #4. We thought 2020 would be his best year on the tables, but that quickly got shutdown.

This boy is the heart and soul of my herd. He is pretty much enjoying retirement and only coming out now once in a while. He remains my main herd buck and is much more valuable at home now.

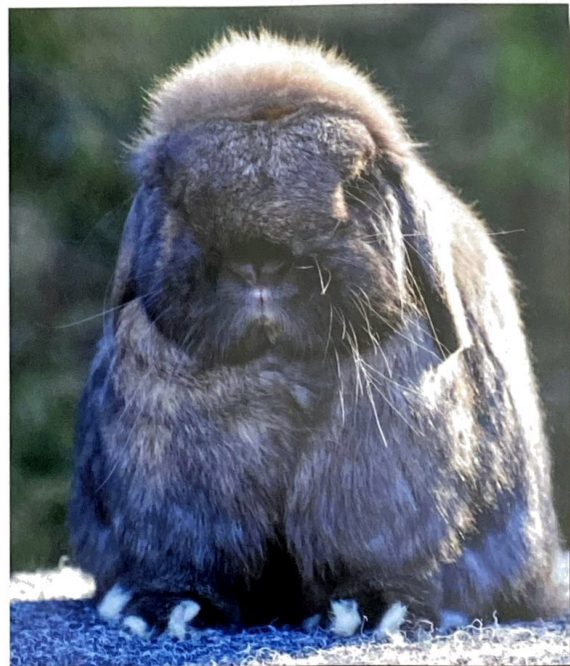

His accomplishments include 4th place junior buck at Nationals in 2018, 2nd place senior buck at 2019 Nationals in Greeley, CO, and BOS the day after and 4th place senior buck at 2019 Convention in Reno.

2 - Lund Lops Magnifico - PJC2 1094 points

Bred & owned by Rheana Zaretsky and Jomary Lund

Magnifico has had a very limited show history. Prior to the '21 Convention, he was limited to the '19 Convention where he placed 2nd as a young SSB, and a few wins at PaSRBA. Going into Convention last year, I knew he would have a shot of doing well, but just how far he took things was beyond our wildest dreams. I'll never forget the way it felt to hear him selected as the winner for BOB, and then his group in BIS. He's not "retired" per say, just very selective when he goes on a road trip. He's now showing his value by making us some pretty babies at home!

2021 TOP LOP - Open

3 - Camelot's Nook - CR142 909 points

Bred & owned by Jenny Poprawski

Camelot's Nook is a very nicely-boned doe with a lot of mass and bone. She reminds me of a past doe and has the presence like Sabrina had. Very friendly doe that is now on a litter and working on future generations. She is a very proud momma. She takes her new role just like the show table presence. She won Best in Show and Best Four Class in her past show career.

4 - AT's JAY - JAY 860 points

Bred & owned by AT Franklin

I'd like to thank the HLRSC for recognizing BIS HM GC AT's JAY, black SSB as 2021 #4 Top Lop.

JAY started off his show career with a youth Best of Breed win as a SJB at the Nov 1, 2020, WCC in Reno. As for 2021, he went on to win several more BOB & BOS awards, including the Open BEST-OF-THE-BEST & BIS Award at the WSHLRC Triple Holland Lop Specialty Show, July 24, 2021.

He's currently one of our favorite herd bucks, due to his overall balance of a short/wide/round body, great bone/mass, and a lovely HEC.

JAY has sired a couple of GC's in 2021...namely GC AT's JADRA, bkn black BSD, and RIS GC AT's JLM, bkn blue tort BSB. JAY's half siblings, including 2021 #17 Top Lop & 2020 #24 Top Lop BIS GC AT's JB, tort SSB, and 2020 #10 Top Lop HM GC AT's ZARA, bkn tort BSD (also youth BOV Broken at 2020 Harrisburg, PA, online ARBA Convention). All these Hollands were sired by GC Swade's ZARAD, tort SSB, who is the half brother of Swade's IVOR, Reno 2019 ARBA Convention Best Opposite Sex. JAY's dam, GC 3B's Bailey, is also a BIS winner.

He is currently at our home, AT's Holland Hutch barn, in lovely Camano Island, WA, enjoying a warm summer of 2022 and working on making some more GC kits to further carry on JAY's legacy.

2021 TOP LOP - Open

5 - Queen's Wrangler - WRANGLER

838 points

Bred & owned by Tammy & Kirsten Wheat

Queens' Wrangler was born in my barn on March 26th, 2019. He caught my eye right out of the nestbox. At ARBA convention 2021, Scott Rodriguez awarded him 2nd place to Rheanna's beautiful Group winner. Needless to say, it was a thrill for him to do so well. I am grateful for all his fans that cheered him on during the top ten. Wrangler is a sweetheart and he loves to show and be held.

6 - Blue Iris Legend - LEG

707 points

Bred & owned by Sherry LaGessee and Tracie & Taylor Deling

Legend has already surpassed what wins he has gotten in his under 2 years. He is the grandson of my best (RIP) herd buck Jaxton. I am proud to say he is a favorite in the barn. He received BIS at the MSRBA Convention in September 2021 at a year old. He has many BOB and BOS wins. I have quite a few nice offspring from him that are promising.

Congrats to all the Top Lop winners of 2021!

2021 TOP LOP - OPEN

7 - Ormond's Adonis - 0212 683 points

Bred & owned by Allan & Becky Ormond and Loretta Odabashian

Adonis is such a beautiful buck! We didn't get to show him much last year, but when he went out, he did awesome. His first show was in September 2021. It was a triple show in Sandpoint, Idaho. He won BIS and two RBIS. We took him to ARBA Convention and he was 5th place SJB. Took him out in December 2021 in Colorado and he won a BIS. In doing so, he made it to 7th Place Top Lop! We are so thrilled! The line he comes from is Ormond's Sykes. He duplicates himself every breeding! Now Adonis is adding to the line making beautiful offspring!

8 - Murphy's Jester - JESTER 655 points

Bred & owned by Dyan Murphy

It was a bit of a shock to see that Jester made the Top Lop list as he didn't show in the beginning of the year because he hadn't yet been born. His first show out was in the summer, and he was much younger than I'd normally take to a show. He actually won a BOS in that first outing. From there, he won numerous BOB awards during his junior showing career and he granded at his first show as a senior in December with another BOB win. He's gone on this year to win BOB at both PA and NC Conventions. Jester's name is appropriate as he's a goofy, but loveable character. As a youngster he often would stand up, fall over, and then fall asleep completely on his back. On the show table, he often wants to lick the judges or nuzzle them. He's a Holland whose body is rock solid and judges appreciate him most when they put their hands on him. We now have plenty of Jester offspring in the barn, but sadly we lost Jester in August. He had an abscess that developed on his intestines and during surgery they unfortunately cut his duodenum, which was a death sentence. Jester's life was short, but very memorable. He will be sadly missed in our barn.

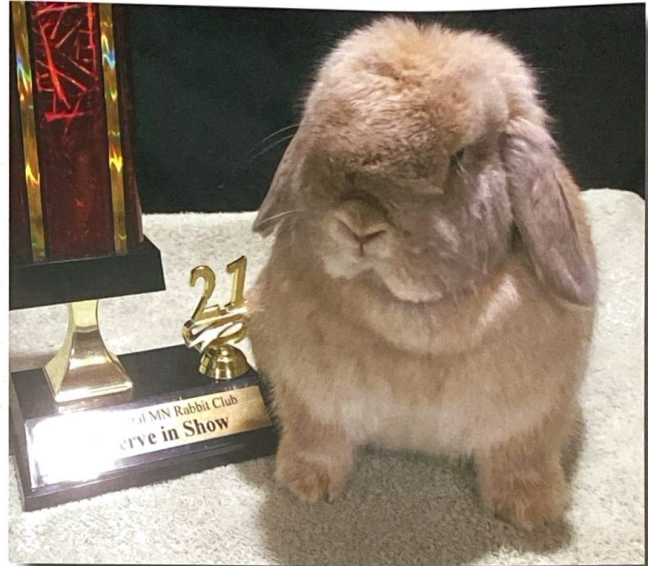

2021 TOP LOP - Open

9 - Blue Iris Denali - DEN 614 points

Bred & owned by Sherry LaGesse and Tracie & Taylor Deling

Denali is a pretty Cream doe that I just love! As a junior, she has had a RIS at the Central Minnesota Rabbit Show and BOB at the MSRBA Convention and other wins. She never showed as a senior but is now giving me offspring.

Congrats to all the Top Lops winners of 2021!

10 - Brocks Fallen Ear's Frankie - FF 607 points

Bred & owned by Nicole Brockriede and Debra Sandoval

Frankie was one of those that you pulled out at three months and she just sat and posed and you thought "Holy Crackers." So often those really good ones fall apart or end up dying. Her first show was the California State Convention where she won all 4 Best In Shows out of 800 rabbits. We showed her once more to get a senior leg on her and then she went into the breeding program. In her first litter was a little doe who placed as the 3rd solid junior doe at Nationals.
