# BEST OF BREED + BEST DISPLAY

About 37 years ago my daughter (Tracie) joined ARBA and I joined ARBA 31 years ago. She showed in 4-H many years and kept going. We started showing Hollands maybe once or twice a year. Having fun with the showing we gradually showed more.

We had our Rabbitry together until my moving and we each had our own herds. We showed separately for awhile and then as a co-op ever since.

We've had our up's and downs with the Hollands but that kept us on our toes to keep going.

We've bought from friends, and shows we attended. Tracie and I want to thank everyone whom we've bought stock from and whom have from us. A big thank you to the Texas Holland Lop Rabbit Club 2024 Nationals! Thanks to all the amazing judges that have recognized our rabbits! It's been a great ride!!!

Open

# BEST OPPOSITE OF BREED

I decided to enter Ego and two other juniors last minute, thankfully I have some great friends who agreed to take them with on their journey. I knew they would be in great hands with Kim & Lataya! Ego looked so good the day entries were due that I really thought he had a shot at doing something big.

Ego is a friendship bunny. His mom, Fancy's Giulia, has been a wonderful breeding doe for me, I bred her to her father, Snowberry's Luca, and the result was this very handsome buck. Ego will now sit at home and grow up, I am excited to see him when he is fully matured. I expect him to sire many offspring for me here, I can't wait to see what he produces.

I am always so humbled to be able to compete with the best, and a huge congratulations goes to Sherry & Tracie on their BOB win, Rachel on her BOV broken and Lataya & Kim on their BOSV win. Congratulations to all the exhibitors on displaying some outstanding animals and thank you to the show committee, judges and volunteers for hosting our Nationals in Belton, Texas.
