

2022 Top Lop - Youth

1 ~ Creekside's Lucretia - CS209 - BSDSS1495 points

Bred & Owned by Grace Dull

Hi again! First off, it is such an honor to be #1 Top Lop! Seeing all my hard work and breeding paying off is one of the most rewarding things. This Holland's name is Lucretia, after the Roman painting and statue. I knew she was a special one as soon as she came out of the nestbox. When you put your hands on her, she feels like a Mack Truck because she's so wide. She has a great top line and HEC (head, ears, crown). Although the older she gets the more she loves to pull her ears back. Lucretia just loves to show herself off on the table and sits there with a look in her eyes. Unfortunately LuLu peaked during COVID, when Nationals was canceled and there weren't as many shows. However, this didn't stop from winning #3 Top Lop in 2021 and of course the Top Lop as 2-year-old doe in 2022. The trophies she's won me are littered around my kitchen as an ode to her. This girl is semi-retired and has only ever had one litter. She simply didn't like being a mom. If you have ever doubted the value of big brood does, her mother was a normal charlie doe from Hertz's. She has the confidence of a runway model and is definitely a once in a lifetime Holland!

2 ~ Queens' Lariat - LARIAT - SSB 833 points

Bred by Tammy and Kirsten Wheat
Owned by Shelbie Boling

Lariat is a beautiful buck. Mrs. Tammy Wheat was kind enough to send him to us a few years ago to help bring mass into our program. He is out of the buck we all know and love, Wrangler himself. Lariat does really well as a show animal. He places pretty much every time he's on the table, but he also is spot on as a breeder. We got to bring him home when he was a promising young buck and he's really grown into a handsome fella!

4 ~ KMS Elephant - ELE 686 points

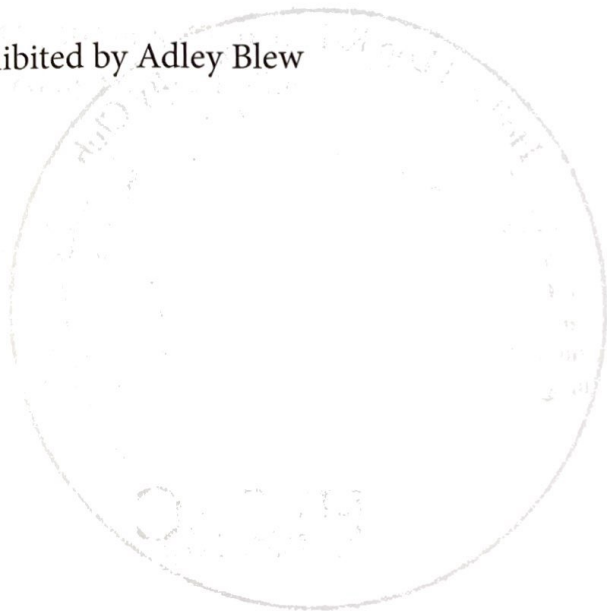

Bred & Owned by Kila & Kara Stephan

This is KMS Elephant. Elephant was born on October 24, 2020. He has always been eye-catching from the start. Ever since he was sticking his head out of the box, you could tell he was going to be something special. Elephant enjoys eating food and getting head scratches, almost as much as he loves his lady friends. Elephant is very special to me and my herd, and I look forward to seeing him and his offspring on the show table.

6 ~ LLR's Cookie Cake - LLR24 - SSD 628 points

Bred & Owned by Liam Robertson

Hi, my name is Liam Robertson, I own and run Liam's Lucky Rabbitry. LLR's Cookie Cake is one of my most successful homegrowns. She's had many accomplishments including multiple BIS and RIS wins. She was 4th SSD at the 99th ARBA convention in Reno, Nevada. She then went on to receive 2nd place SSD at the 2023 HLRSC Nationals in Columbus, Ohio. I'd like to give a thank you to the judges who have recognized her and love her as much as I do! She's a very special girl and I'm proud to say she's an LLR rabbit, she represents everything I strive for in my hollands.

8 ~ TZ's Miley - TZ20 - BSD 584 points

Bred & Owned by Tristan Zgonc

Miley was an amazing rabbit from an early age and from a litter of 3 grand champion does! At her first show, she won all 3 Bests of Breed at only 11 weeks old. She went on to win many more breed wins and 4 Bests in Show later that spring until she decided it was time to become a mom in early fall. She has already produced beautiful rabbits including TZ's Wrecking Ball (broken blue) - a Reserve in Show winner.

Thank you to Gary/Susan Smith and Dyan Murphy for her sire and dam.

9 ~ QuietCreek's Hearts Command - QC084 - BSD 580 points

Bred by Brian & Cindi Hinton
Owned by Shelbie Boling

Hearts Command is a BEAUTIFUL broken doe that we got from Cindi, and I don't know about ya'll, but she is nothing like the broken does we ever had; she is the sweetest thing ever! She doesn't fit into the broken doe crazy column. She is one of those and knows just how pretty she is and loves to show off. This beautiful doe is gonna do great things in our program!

10 ~ Herioux's TortiGirl - 1H7 577 points

Bred & Owned by Andrew & Violet Herioux

We are thrilled that Herioux's TortiGirl is the 10th place Top Lop for 2022. She's the granddaughter to Andy's first bunny, Schwandt's Diego, and a great-granddaughter to Violet's first doe, Softies. She is bred and loved by Andy and Violet Herioux.
