

Allan Ormond of Utah 2011

Allan Ormond joined the HLRSC in March 1988. He served as President for four years as well as Zone 2 Director, and on several committees. Allan is also an ARBA Judge and beloved by our youth members. He is dedicated to educating and has given several youth seminars at the ARBA convention. Not only youth members attend; often many open breeders glean words of wisdom from his talks.

Allan and his wife, Becky have also helped many get started with rabbits. Allan is best known for his generosity and kindness. He always teaches when he judges, making showing an educational experience. He has been voted to judge several Best in Show Groups at ARBA Conventions and has mentored several new judges.

Allan and Becky have won several awards at ARBA Conventions and Holland nationals with their stock (3 BOB, 2 BOS, 1 Best Display). Raising the Holland Lop breed is his passion, even though he has successfully raised several other breeds.
