

Audrey Patriarche of Michigan 2007

Audrey joined the HLRSC in October 1989. She was Treasurer for four years, and served on numerous committees including the Election Committee, Judges Selection Committee, Audit Committee, Editorial Committee, and Guidebook Committee. She also served on the HLRSC Standards Committee for 18 years and was Chairman for two years. Audrey shows a passion for Holland Lops, taking great pleasure from seeing a good one win whether it is hers or not. She is currently working on the certificate of development for Blue Point Hollands.

She has been on the show committee for three Holland National shows, and one ARBA Convention committee, and is our permanent ramrod for Holland Nationals and conventions. She has also served as the Banquet Chair for at least 4 national shows and 10 ARBA Conventions.

She has won BOB and Best Display at Holland Nationals, and also bred the winner of two HLRSC national shows. She always places well at conventions and national shows. She has also donated rabbits to the ARBA Convention Trios, one of which won Best Fur. To sum it up, we have all heard Aud say, "The friends I've made, and the pleasure I get from seeing a four-week-old Holland baby are why I love this breed!"
