Leading by example Todd, has helped make the HLRSC the club it is today.

Todd helped host five Holland National shows and was breed chair or co-chair for five ARBA Conventions. He was and is always ready to work and help behind the scenes. He has been a driving force with the Holland Lop stock auction at convention. Todd also has shared his stock with many. He has several wins to his name nationally, including one BOB, and two BOS, as well as numerous BOV and BOSV wins at conventions and national shows. While his barn holds both Mini Satins and Hollands, his heart still belongs to the Holland Lop!
